Nutrition Integrity 2012 Oven Grants

The Mississippi Department of Education's Office of Child Nutrition promotes the “Health is Academic” initiative by offering funds for the purchase of combination oven steamers. The goal of the Nutrition Integrity 2012 Grant is to replace deep fat fryers in school kitchens with combination oven steamers in order to make a substantial difference in the number of calories and fat consumed by children at school. Mississippi schools (K-12) are eligible to apply for the Nutrition Integrity 2012 Grants. The grant application must be turned in no later than Friday, May 4, 2012 by 3:30 PM Central Standard Time.
