Webinar: Managing Food Safety When Handling Fresh Produce in Schools

USDA and the School Nutrition Foundation will be offering the fourth webinar in a produce safety webinar series on **Wednesday, April 18 at 2 pm ET**, “Managing Food Safety When Handling Fresh Produce in Schools.” More information about the webinar content is available on the School Nutrition Association’s website:

All of the expert speakers have attended Produce Safety University.

- Dr. Kevin Roberts, Kansas State University
- Dr. Kevin Sauer, Kansas State University
- June Barrett, Alabama State Department of Education
- Sandy Curwood, Ventura Unified School District.

The webinar will be available as a recorded archive after the live event. Archives are also available for the three previous webinars and Peer2Peer Connect Q&A Sessions in the four webinar series.
